

Glovlet®

THE ULTIMATE SWEAT MANAGEMENT SOLUTION

Designed for people whose jobs require them to use gloves every day.

Glovlets® are fingerless, reusable, natural cotton liner gloves. Featuring moisture wicking technology, Glovlets help keep your hands feeling fresh, natural, and comfortable all day every day.

Wear Glovlets® under your daily protective gloves for heightened comfort, warmth, sweat management or help preventing dermatitis. Glovlets® also act as an extra layer of hygiene prevention at public gyms and sports recreation centres.

Any frequent glove user knows damp donning and re-donning is a problem our Glovlets® were designed to solve.

BENEFITS

- Natural cotton nylon blend for the ultimate sweat management solution
- Provides an easy and affordable solution to dermatitis
- Noticeably soft material creates a highly breathable barrier between your hand and outer glove
- Fully washable and reusable
